Indecomm Hosts Free Webinar on Defining an Automation Strategy for Your Mortgage Business

Edison, NJ – Friday, June 12, 2020 – POS, LOS, RPA, AI/ML, RON...with the alphabet soup of tools and software flooding the “Digital” solutions market, how do mortgage lenders make the right choice of automation for their organization? Indecomm Global Services, an industry leader in automation, outsourcing, and compliance for mortgage lenders, will answer this question and others in their webinar titled “Defining an Automation Strategy for Your Mortgage Business” scheduled for Thursday, June 18, 2020 at 2:00 pm ET / 11:00 am PT.

Registration for the 60-minute webinar is free and participants will have the opportunity to ask questions during the Q/A session. Participants will learn how to:

- Define an automation strategy for your organization
- Make the right technology choices and review the options available
- Define and measure ROI for your automation initiatives

The webinar speakers are Narayan Bharadwaj and Linda Bomar, both from Indecomm:

- Narayan Bharadwaj is Senior Vice President of Automation at Indecomm. In his current role, Narayan is responsible for automation strategy and execution with a goal of transforming the operations and technology landscape of the mortgage industry. Narayan has an experience of over 26 years in the Banking & Financial Services industry with an extensive concentration on consumer lending. Narayan’s career spans executive leadership positions in technology companies serving the banking industry namely, CEO & General Manager of Wipro Gallagher Solutions, President & COO, Financial Services at Docutech Corporation and as technology executive in financial services organizations such as GE Consumer Finance and Citibank Global Consumer Bank responsible for large global technology programs. Narayan is a CPA and a CMA and holds a specialization in Fintech from the University of Oxford.
- Linda Bomar is Senior Vice President of Sales and Marketing at Indecomm. She has 25 years of experience in the mortgage industry, with an expertise in team building and communications. A progressive mortgage banking sales and marketing executive, she impacts the visibility and
